

Message to Parishioners:

With face-to-face Masses on hold for the foreseeable future, regular donations that keep our Parish running are more important than ever. Below is a suggestion for continuation of your Planned Giving for donations to the Catholic Parish of St Mary & St Joseph, Maroubra Bay-Beach.

Leave your Planned Giving envelope inside another envelope at the Parish Office, 9.30 am – 3.30 pm, Tuesday, Wednesday, and Thursday.

Planned Giving donations are 100% tax deductible.

Our Church doors may be closed, but we are very much still working to provide our community with all the support we can during this time. We understand that for many of our parishioners, these are very financially difficult and uncertain times, but we thank you for your ongoing support and generosity.

Fr Kelvin
