

## Vinnies Winter Appeal and Sleepout

Last year our SMSJ Year 6 Mini Vinnies were invited to participate in a Winter Sleep out experience at school on a cold winter night. This activity provided them with a taste of what homeless people have to experience on a daily basis. Sadly, the homelessness crisis is only getting worse.

This year we invite ALL FAMILIES from our school and parish to join in on a Family Winter Sleep out on Friday 26th June (or another day in June) in your own homes. This can give your family a glimpse of what it feels like to sleep out in the cold.

This is also a major fundraising event for our school and parish and we understand this is a difficult time for many of our parishioners and families.

If you are able we would love your support of this fundraiser in whatever way possible. All contributions are appreciated and will help our parish and school achieve our fundraising goal of \$2000!

All monies donated will go to the good works of our Maroubra Bay Vinnies Conference helping those in our local community.
